General and Revenue Secretariat

File No. 1951/1783 of 194 C.B.

Serial No.

20) The Rev. Comr has three Assts. at present, and the last one designated Addl. Asst. was originally appointed as Special Officer for the Survey of Amrit Mahal Kavals and was designated last May as Addl. Asst. to the Rev. Comr and was entrusted with (i) the Survey of Amrit Mahal Kaval lands, (ii) the disposal of Military Darkhasts, & (iii) the Secretaryship of the Date Grove Committee.

21) As re: (i), the Rev. Comr reports that the spot inspection of all the Kavals is completed and that proposals as regards the areas to be surrendered in each Kaval are in the course of preparation and submission to Govt. for sanction by about the end of October 1949. The remaining work in this Section is based on hypothetical grounds, namely, that as in many cases sanction of Govt. has not been accorded yet and it is also likely that there may be interim correspondence coming up either to reconsider the issue or to re-examine the cases, there may be further work. While the work that there will be hereafter cannot be assessed with exactitude, it is fairly clear that in no case can it perhaps be as much as to occupy the Officer's whole time as it used to before. It needs to be examined

Note.—Contn. Sheet

whether or not the remaining work such as there is or will be as expected can be attended to by one of the two Assts. of the R. C. without serious dislocation or disturbance to their normal work. It is for orders whether the R. C. may be requested to examine this.

22) As regards (ii), it is not easy to examine or understand the progress in the disposal. The balance awaiting disposal is ~~already~~ ~~double~~ a little more than one and a half times the number in March last, and there is no means of judging how or when they will be completely cleared. In any case, no idea can be formed of the date by which the pendency can be reduced sufficiently to do without the Addl. Asst.

23) Regarding (iii), no data is available in this Branch to examine the need for the continuance of the estt., more particularly, of the Secretary. Here again, it is not clear or definite as to when the work of the Committee may be expected to be completed.

24) As sanction to the existing establishment expires on 31. 10. 49 and there is not much time left for examination or for further correspon-

30 Returned with compliments. It has been stated above "that the actual work relating to Military Darkhasts, Amrit Mahal Kavals etc., has to be attended to more in the Sub Division Offices and District Offices and what is needed in the Revenue Commissioner's Office is only watching, -- co-ordination and general laying down of policy etc". In this connection, I would invite reference to Government -- Order No.G.12906-13/Mily.172-23-2 dated 2-4-1925 issuing instructions regarding grant of lands to Military men. -- Under the said order, Deputy Commissioners are not empowered to grant lands to military applicants as it involves the risk of one and the same person applying for lands in more than one District. To obviate this, Government have -- directed that all applications received by the Deputy Commis--sioners be submitted with their recommendations to the - Revenue Commissioner for sanction. With a view to see that more grants than one are not made to one and the same indi--vidual, necessary registers (Award Register and REgister showing the grant made to military personnel in the several Districts) are maintained in this office. In fact it is in this office that the work relating to the grant of land to Military personnel has to be attended to primarily, after getting the necessary information and reports from the -- subordinate Revenue Offices and Deputy Commissioners.

31 At present there are more than 1,200 awards relating both to World War I and World War II - yet to be satisfied. In addition to these, fresh awards from Government are -- being received almost every month. The awardees put in - their applications to this office for the grant of the -- lands in the locality which they find suitable and it is this office that obtains the necessary records from the -- subordinate offices and takes needful action for sanctioning the grants. With a view to hasten the grant of lands to military personnel the list of lands available for grant were called for from the Deputy Commissioners and the --

lists so obtained were found to be obsolete and required further verification in as much as they had not been - prepared with due care in the taluks. Hence they are - being verified taluk by taluk by the Additional Assistant and such lists are furnished to the Chief Commandant as and when they are verified as per Government Order No.P. 214-25/Mily.325-47-2 dated 6-7-1948. The verified list of lands in respect of 26 taluks have so far been forwarded to the Chief Commandant for publication in the units. The lists of the remaining taluks will have to be furnished to the Chief Commandant after scrutiny. As the number of - - awards pending settlement is still large being more than 1,200 and the work is of a special and important nature, it seems necessary and desirable to continue the establishment at least for a further period of one year.

32 As regards the work relating to Amrit Mahal Kavals, the need for the continuance of the Additional Assistant and the staff proposed has been clearly explained in my letter No. A.M.K.21/49-50 dated the 19th October 1949. In this connec--tion, I have to mention that the work of inspection of all the kavals in the State has been completed by the Additional Assistant and reports of inspection relating thereto are - - also prepared now. So far, recommendations for the surrender of kaval lands in the Chikmagalur and Chitaldrug Districts have already been submitted to Government. Reports of inspec--tion of the kaval lands made by the Additional Assistant in the other Districts have been since scrutinised by me and -- proposals will be submitted in the course of a week or ten days in all these cases, as they get ready.

33 In this connection, I had stated that although it was proposed to entrust the technical supervision of the survey work to the District Survey Officer of the District concerned, the general supervision of the work will have to be done by the Additional Assistant, who has been in touch with this - -

Continuance of the Additional Assistant to the Rev. Commr and the staff -

work all along. This is necessary in the interests of the expeditious disposal of kaval lands for purposes - of cultivation. Proposals have been sent up involving surrender of very large extents of kaval lands in a - number of Districts. The proposals relate, among other matters, to the apportioning of areas fit for grazing from the cultivable portions of the kaval, the conver--sion of the existing gomal in certain villages for -- purposes of cultivation in lieu of separate grazing - areas proposed as gomal, as desired by the ryots, the question of free grants to be made to poor and landless classes belonging to the Adikarnataka or other communities, the question of starting agricultural colonies on a - basis of co-operative farming in suitable areas etc. To regulate and assist the Deputy Commissioners in the -- immediate disposal of these matters, I am of the opinion that this section should continue for some time longer under the Officer who has intimate knowledge of the - - local conditions and of these kavals which he has - - - inspected with the Amrit Mahal Representative. It is - with this view, that a special survey staff has been - sanctioned by Government to phode the surrendered lands into blocks of 4 acres in general and other denominations - as may be directed by Government from time to time in - individual cases, for the expeditious disposal of all - cultivable lands recommended for being surrendered.

34 As regards the work of the Date Grove Committee, I may mention that the Committee has completed its work in the two Districts of Tumkur and Kolar and sent up interim reports to Government in respect of these two Districts. It has yet to inspect the groves in Chitaldrug District. It is possible that the Government may ask the Committee to take up two more Districts viz. Shimoga and Chickmagalur Districts in which prohibition has been

2 Continuance of the post of the Additional Asst to the Rev. Commr and the Staff.

since introduced by Government. The Committee has to watch the progress of the work of the local Sub Commi--ttees which have just been formed as per sanction of Government and have begun to function. The detailed reports of these Committees are expected to be submitted within a period of one month and after the receipt of these reports a final report in this behalf will be -- submitted to Government. Till then, the services of a Secretary are necessary.

35 This part of the work cannot possibly be attached to the other two Assistants of this office without -- dislocation of work as they have full-time work in the office. Nor will it be possible for either of them to accompany the Committee at the time of the inspection of the Date Groves in the Districts.

36 As the Additional Assistant is looking after, all the three Sections viz., (i) Military Darkhast, (ii) Survey of Amrit Mahal Kavals and (iii) Date Grove Reserve, he has full work. In the circumstances, I am of the - opinion that the continuance of the post of the Additional Assistant along with the reduced staff as recommended in my letter under reference is quite necessary and that - Government may be pleased to accord sanction for the -- continuance of the same for a period of one year from - 1st November 1949.

40 The R.C. was consulted unofficially regarding the possibility of retrenching the post of Addl. Asst. which seemed superfluous. He is, however, of the opinion that the continuance of the post of Addl. 44 It is informally ascertained from the office of the Rev. Out of this the pay of one 1st Division clerk @ Rs 60/ p.m. has to be deducted from 1st April as his services are to continue till the end of March. Hence the cost for the staff would be Rs 9804 − Rs 420 = Rs 9424/ per annum.

81 *Submitted to His Highness.*

M In Government Order No.8753-8/CH 484-48-1 dated the 29th April/3rd May 1949 sanction was accorded to the appointment of an additional Assistant to the Revenue Commissioner with the following staff for the work relating to the Survey of Amrit Mahal Kaval lands, disposal of Military Darkasts and the Date Grove Committee for a period of six-months with effect from 1st May 1949.

Technical Staff:

1. Amrit Mahal Kaval Section:

i) One Surveyer in grade Rs.50-3-80-4-100.

ii) One Special Officer from the Animal Husbandry Department in grade Rs.50-3-80-4-100 plus D.A. Rs.50/- per mensem.

iii) One Kaval Ranger in grade Rs.40-2-50-3-80 plus D.A. Rs.25/- per mensem.

2. Date Grove Section.

i) One Surveyor in grade Rs.50-3-80-4-100.

Ministerial and Menial Staff:

i) First Division Clerks for each of 3 Sections, viz., Military Darkasts, Amrit Mahal Kavals and Date Grove.

ii) One Second Division Typist for the entire Section.

iii) Two Home Orderlies to the Officer.

iv) One peon for the Section.

(2) The sanctioned period of appointment of the Additional Assistant to the Revenue Commissioner and the staff working under him expired on 1-11-1949.

(3) The Revenue Commissioner, who was consulted regarding the continuance of the post of the Additional Assistant to him and the establishment referred to above beyond 1st November 1949,

Amrit Mahal Kaval Section:

i) One Special Officer, Animal Husbandry Department.
ii) One Kaval Ranger.
iii) One Surveyor attached to the work of Date Grove Section.
iv) One First Division Clerk attached to the Amrit Mahal Kaval Section.

N has proposed that the marginally noted staff may be retrenched with

with effect from 31st October 1949 and recommended for the continuance of the undermentioned staff for a period of one year with effect from 1st November 1949 except one First Division Clerk attached to the work relating to the Date Grove Committee whose services have to be continued till the end of March 1950:

1. Additional Assistant to the Revenue Commissioner.
2. One First Division Clerk for the Military Darkast as well as the Amrit Mahal Kaval Section.
3. One Second Division Typist.
4. Two Orderlies (For a period of one year with effect from the 1st November 1949).
5. One peon for the entire Section.

(4) The Revenue Commissioner has requested sanction for the continuance of the post of the Additional Assistant, and of the Staff noted above for a period of one year with effect from 1st November 1949 on the ground that though the spot inspection of all Kaval lands is over, there is further work such as obtaining sanction of Government in many cases and that it is also likely that there may be interim correspondence coming up either to reconsider the issue or to re-examine the cases afresh and that the phode work of the lands proposed for surrender was to be taken up in accordance with their relative importance in each District, so as to facilitate quick disposal of lands to the ryots and that the work of the Date Grove Committee is not yet over and that it may take some more time for completion and that the disposal of darkasts relating to Military Personnel is very heavy and that there are a large number of cases pending settlement.

(5) It is proposed to continue the additional Assistant to the Revenue Commissioner and the staff noted in para 3 above till 1st July 1950.

Paras 53 and 72 of notes.

(6) The proposal has been approved by me and agreed to by all the other Ministers.

GOVERNMENT OF MYSORE.

OFFICE OF THE REVENUE COMMISSIONER
No. A.M.K. 21/49-50. IN MYSORE,
Bangalore, dated the 19th October 1949.

To

Sri K. Srinivasan, B.Sc.,
Chief Secretary to the Government of Mysore,
BANGALORE.

Sir,

Subject:- Continuance of the post of the Additional Assistant to the Revenue Commissioner and the staff working under him.

I have the honour to invite reference to Government Order No. 8753-8/C.B. 484-48-1 dated, Bangalore, 3rd May 1949 in which, Government were pleased to designate the Special Officer for the Survey of Amrit Mahal Kaval lands as Additional Assistant to the Revenue Commissioner, (i) for survey of Amrit Mahal Kaval lands, (ii) for disposal of Military Darkhasts and (iii) to continue to function as Secretary, Date Grove Committee. The marginally noted staff was also sanctioned in the said order for a period of six months from 1st May 1949.

Technical staff:-

Amrit Mahal Kaval Section:-

1. One Surveyor in grade Rs.50-3-80-4-100.
2. One Special Officer from the Animal Husbandry Department in grade Rs.50-3-80-4-100 plus D.A. Rs.50 per mensem.
3. One Kaval Ranger in grade Rs.40-2-50-3-80 plus D.A. Rs.25.

Date Grove Section:-

One Surveyor in grade 50-3-80-4-100.

Ministerial and Menial staff:-

1. First Division Clerks for each of the 3 Sections viz., Military Darkhasts, Date Groves and Amrit Mahal Kavals.
2. One second division Typist for the entire Section.
3. Two Home orderlies to the Officer.
4. One peon for the Section.

The Additional Assistant with the

Special Representative of Amrit Mahal Department has completed the spot inspection of all the Kavals in the State and proposals as regard the areas to be surrendered in each kaval are in the course of preparation and will be submitted to Government for sanction by about the end of October 1949. Therefore the continuance of the marginally noted technical staff excepting the Surveyor indicated in (1) in the margin is not necessary and they will revert to their Departments at the end of this month i.e. 31st October 1949. This Surveyor in grade 50-3-80-4-100 of Amrit Mahal Kaval Section will be retained and will be attached to the survey party to be augmented for the phode work of all the surrendered lands, when his work in this Section ceases. The place of one Surveyor of the Date Grove Section will also be retrenched as no Surveyor has been employed so far.

Amrit Mahal Kaval Section:-	*
1. One Surveyor in grade 50-3-80-4-100.	*
2. One Special Officer, Animal Husbandry Department.	*
3. One Kaval Ranger.	*
Date Grove Section:-	*
4. One Surveyor.	*

Although the spot inspection of the kaval lands by the Additional Assistant is now over, there is further work in this Section, as sanction of Government in many cases has not been accorded yet and it is also likely that there may be interim correspondence coming up either to reconsider the issue or to re-examine the cases afresh.

I would also invite reference to this office letter No. A1.P.R.662/48-49 dated 27-6-1949 wherein it was suggested that the phode work of the lands proposed for surrender was to be taken up in accordance

MP/1

with their relative importance in each District, so as to facilitate quick disposal of lands to the ryots. For this work, Government have already accorded sanction to the employment of one Supervisor and two Surveyors in their order No. R.2592-95/L.R.161-49-2 dated 26th September 1949. Government was also requested to place a sum of Rs.2,000 as imprest to commence the phode work of kaval lands already ordered for surrender out of Shivane and Masnikere Amrit Mahal Kavals in the Chikmagalur District. It is further contemplated to augment the above survey staff as and when final orders of Government are received in respect of all the remaining kavals in accordance with the proposals made from this office. In this connection, Government have called for certain information as to the number of Surveyors needed, the duration of the work and the probable expenditure required for this purpose. This is being further examined and a report is in the course of early submission.

Although it is proposed to entrust the technical supervision of the survey work to the District Survey Officer of each District, the direct control and general supervision of the work will be done by the Additional Assistant who has been in touch with the work all the while in charge of the work.

The work of the Date Grove Committee also is not yet over and it may take some more time for completion, as the Committee has still to inspect the Date Grove areas in Chitaldrug District; and the local Sub Committees to which Government have recently accorded sanction in their order No.R.3130-36/L.R.322-48-17 dated 11th October 1949, are just beginning to function and their detailed proposals may be expected to be

received in about a month's time. Since the work in this section is expected to be over by about the end of March 1950, the First Division Clerk of this Sec-tion will be retrenched with effect from the said date.

As regards the work connected with the grant of lands to Military Personnel, a statement showing the progress in the disposal of Military Darkhasts from 1st May 1949 up to the end of September 1949 is enclosed for information. The number of awards pending settlement is nearly 1,200. The disposal of darkhasts relating to Military personnel is important and heavy and in view of a large number of cases pending settlement, I find it is very necessary to continue the clerical staff attached to this branch. The clerk of this Section will also be entrusted with the work relating to the Amrit Mahal Kaval Section, thus retrenching the post of the First Division Clerk attached to that Section.

In the circumstances, sanction of Government may kindly be obtained to the continuance of the marginally noted staff for one year with effect from 1st November 1949 except the post of the Date Grove Section, which may be continued until the close of March 1950.

1.	One First Division Clerk for the Military Darkhasts as well as the Amrit Mahal Kaval Section.
2.	One First Division Clerk for the Date Grove Section till the end of March 1950.
3.	One Second Division Typist.
4.	Two orderlies.
5.	One Peon for the entire Section.

The Duty Allowance of Rs.75/- per mensem attached to the post of the Additional Assistant may be continued

during the said period of one year.

Yours faithfully,

Revenue Commissioner.

4. The Revenue Commissioner has requested sanction for the continuance of the post of the Additional Assistant, and of the staff noted above for a period of one year with effect from 1st November 1949 on the ground that though the first inspection of all Naval lands is over, there is further work such as obtaining sanction of Government in many cases and that it is also likely that there may be interim correspondence ending up either in re-consider the issue or to re-examine the cases afresh and that the photo work of the lands proposed for surrender was to be taken up in accordance with their relative importance in each District, so as to facilitate quick disposal of lands to the party and that the work of the Sale Deed Committee is not yet over and that it may take more time for completion and that the disposal of cantonments relating to Military Personnel is very heavy and that there are a large number of cases pending settlement.

5. The Financial Secretary has noted on the file as follows:-

"I have nothing to add to my note dated 11th April 1949 in ICC-49 File 69. ACA-46-1 placed below".

("Amrit Mahal Naval, Sale Deeds and Military lands are all more merely Cantonment, Separate Officers and establishments for these three items may be reduced to a single Cantonment Assistant, with one First Division Clerk for each type of Cantonment and two Home Orderlies and one Office Orderly for the Cantonment Officer and one peon for the Cantonment Section and the respective officers and the work of their present establishment reduced".

6. When the file was submitted to the Hon Minister he has minuted as under:-

"In view of the urgent need to bring A.M. Naval lands into cultivation under a system of co-operative farming, it is better if staff is continued till 1st July 1950 at least."

7. The Chief Minister has directed as under:-

"to be continued till 1st July 1950. Please circulate if necessary".

(sd/-)

8. The Minister for Finance and Industries has minuted as follows:-

"I cannot say that the present assistants are not enough. The Hon'ble Chief Minister has already ruled that the additional Assistant may continue till 1st July 1953 and so may it be done."

9. The concurrence of the other Ministers to continue the additional Assistant to the Revenue Commissioner and the Staff noted in para 3 above is requested.
